DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The application is being abandoned for the following reasons. Subsequent to the mailing of a non-final office action on June 3, 2003, Applicant responded by submitting a request for continued examination on Dec. 5, 2003. Yet, at such time, the time period for response, including the three month extension of time, had already expired and the application should have been abandoned. However, the office entered the request in error, and the Examiner responded with another non-final office action (March 10, 2004). Therefore, because the application was technically abandoned when Applicant filed the request, the previous office action mailed March 10, 2004 will be vacated and the application will be abandoned.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Cybille Delacroix-Muirheid whose telephone number is 571-272-0572. The examiner can normally be reached on Mon-Fri from 9:30 to 6:00.
